Business Networking with Artists & Crafters each month at Coastal Carolina Community College Small Business Center (free to participate)
Winterfest Artisan Market on the first weekend in December at the Jacksonville Commons Recreation Center

WHY?

Bras for a Cause proceeds benefit individuals in our area with any type of cancer through the non-profit organization Southeastern Cancer Care
Art Camps for Children, Crafting with Seniors, and Play Dates directly benefits the participants by providing an outlet for self-expression, motivate their minds to discover new concepts, and have social interactions.
The ornaments created with seniors benefit the Onslow Caregivers / Hospice event Festival of Trees
Business Networking Sessions in the Small Business Center provides artisans with tools and resources to grow their entrepreneurial endeavors, network, and to promote their talent.
Winterfest Artisan Market provides a venue for area artists and crafters to show and to sell their creative talents, and to encourage the public to participate in creative contests for cash prizes.
